Badger Alloys Adds Engineer to Team

MILWAUKEE, WIS -- Badger Alloys, Inc., a full-service castings manufacturer in Milwaukee, Wisconsin, is pleased to announce that **Mike Kyler** has joined the company's engineering team as a materials planner. In this role, Kyler will be responsible for materials planning and utilization of the company's ERP system.

Kyler brings to Badger Alloys more than 20 years of manufacturing experience, working previously as a buyer and a program planner.

Located in the heart of Milwaukee and founded in 1966, Badger Alloys offers single-source capabilities for custom castings. The company pours more than 200 different alloys and includes a sand foundry, pattern shop and machine shop to offer customers fully integrated services.
